From Principal's Desk

Shri K. Chandra Sekhar
Principal, KV Along

We at Kendriya Vidyalaya, Along focus not only on providing quality education among the children but also prepare them to face challenges of the society and prepare them to compete on par with any other best school in India. In addition we focus our attention on the extra activities like scouts, study tour, games and science and social science exhibitions etc. All our teachers are working regularly to improve our school in all the aspects so that we compete with all the other schools of the region. We give clear communication, clear thinking to the children so that they understand it well and carry it for their future. We work fast to give 100 percent result. We are aiming at fulfilling the objectives of the Kendriya Vidyalaya Sangathan, which are to cater to the educational needs of the children of transferable Central Government employees including Defence and Para-Military personnel by providing a common programme of education; To pursue excellence and set pace in the field of school education; To initiate and promote experimentation and innovativeness in education in collaboration with other bodies like the Central Board of Secondary Education and National Council of Educational Research and Training etc. To develop the spirit of national integration and create a sense of "Indianness" among children We are aiming at providing quality education among the children. We understand the educational needs of central government employees children by providing the common educational programme because there jobs are transferable. We have collaboration with CBSE and NCERT, which gives us some new idea to impart education. We, develop national integration feelings among the children. The school is now running in temporary building and we are trying our best to go for Permanent building with the help of the support from District Administration and KVS. Looking forward for achieving great heights in the field of Secondary and Sr.Secondary education in Arunachal Pradesh.

I am immensely pleased to bring forth the fourth issue of quarterly newsletter for the academic year 2019-20. The glimpse of newsletter will reflect and highlight the entire scenario of the vidyalaya. The entire team of highly learned teachers is engrossed to cause academic development and come to the expectations of parents & society both. The newsletter highlights various activities like CMP, CCA and sports leading children to their harmonious development. The school is striving for excellence under the guidance of honourable principal.
